

**A Byte of the Future: A Conference on Using Technology  
in Worship and Education**  
October 18-20, 2011

Resources are listed by leader:

**Adam Walker Cleaveland**

“The group that I work with that does the Social Media Bootcamps across the US is called Social Phonics.” (These are all-day events on using social media). You can find their website here:

<http://www.socialphonics.com>

“My slides from my workshop can be found here”: <http://www.slideshare.net/adamwc/how-technology-is-changing-our-faith-worship-whether-we-know-it-or-not>

**Von Clemans**

Von has created a Facebook group called *TechTools4CE*. Search for that on Facebook and ask to join – contains links and other documents

GloBible (suggested by Don Griggs) – [www.globible.com](http://www.globible.com)

Von’s presentation for “A Model Teaching Event” – [http://prezi.com/bulpqso2x\\_ls/tech-tools-for-teaching/?auth\\_key=30ac56dca9289d0d3c40119d01d49dc24e7d2a91](http://prezi.com/bulpqso2x_ls/tech-tools-for-teaching/?auth_key=30ac56dca9289d0d3c40119d01d49dc24e7d2a91)

The “Live Binder” presentation for Von’s workshop – “Using Technology in Adult Education” - <http://livebinders.com/play/present?id=205040>

Von used wordle ([www.wordle.net](http://www.wordle.net)) to create the logo for the FB group.
