

# Clinical Pastoral Education

Clinical Pastoral Education is an interfaith method of theological education through which a student exercises and learns pastoral skills. It provides a learning situation to develop awareness of the theological and psycho-social concerns of persons in crisis. We seek to celebrate, refine and to enhance your already natural, innate, and honed gifts for spiritual care. This will be done through structured weekly educational elements, peer group engagement, and supervision and instructions from experts in the field.

## Upcoming Classes:

Lebanon VAHCS Now Accepting Applications  
Residency CPE Unit, August 25, 2025- August 21, 2026

Class and clinical time will be 40 hours per week.  
8 a.m. - 4 p.m., Monday - Friday with weekend rotation.  
Levels 1A, 1B, 2A and 2B training is provided.

## Applications

Applicants will be reviewed and interviewed as CPE applications are received. ***There is no application due date; students are encouraged to apply approximately six months before the program start date.*** Please contact Dean Luther [vhalebcpeadmin@va.gov](mailto:vhalebcpeadmin@va.gov) or 717-228-6021

## No Tuition:

CPE Interns, upon acceptance, must complete a background check and other federal requirements to officially enter the program. They must also provide medical documentation of all immunizations required in this healthcare setting, including a current TB test.

## Other Information:

Students will be required to purchase textbooks for this program.
