

This is First Presbyterian Church in Jefferson City, Missouri (www.fpcjcmo.org), and we are looking for a Pastor/Head of Staff! We are a mission-oriented church with four international mission areas: Peru, Malawi, Nepal and Ukraine/Hungary and several dozen local community missions, some of which are done in conjunction with other churches. Our morning Preschool has been operating for 43 years and regularly enrolls 40+ children who are from a variety of countries including India, Jordan, Afghanistan, Mexico and others. The Journey youth group and Presbyterian Children's Fellowship meet Wednesday evenings, a Men's group meets twice a month, Presbyterian Women with two circles and Bible study meet monthly, two other Bible study classes meet weekly, and a care for creation group which just worked to get us designated as a "care for creation congregation" meets monthly.

Jefferson City is the capitol of the state and is right in the center: 2 to 3 hours from St. Louis, Kansas City, and Branson and just 30 minutes from Columbia (home of the TIGERS) and an hour from the Lake of the Ozarks. Lincoln University is right down the street. The schools are very good, the parks and trails are great, the community is safe and easy-going. Both Pickleball and Table Tennis teams play in our gym weekly.

Our church is warm and inviting, full of a variety of people with a variety of gifts. We have over 100 in worship every Sunday morning and an additional unique evening service for our community on Sunday evenings that concludes with a meal. We have some traditions that we hope to share with our new pastor and we are open to suggestions and new things from a pastor. We have had solid preaching from most of our pastors and we want to continue that. We have a strong Session of 12 members and an equally strong Board of Deacons made up of 18 people. These people and others have kept up the visiting and caring for those in nursing care and hospitals, those who are sick or have special needs.

We believe that we are called to be a blessing and a light on our corner of Madison and McCarty streets. We are looking for a Pastor who would like to join us in mission, in understanding our purpose, in living a Christ-like life. If this could be you, please contact Tom Carr, head of our PNC at tcarr803@gmail.com. Our MDP number is 12084 at clc.pcusa.org.
